A Fixed Page Document

Every page here is a picture the author laid out, so there is no type size to change and no text to re-wrap. The reader offers fit-width, fit-page and zoom instead, and says so.

Paragraph 1 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 2 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 3 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 4 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 5 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 6 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 7 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 8 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 9 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 10 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 11 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 12 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 13 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 14 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 15 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 16 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 17 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 18 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 19 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 20 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 21 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 22 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 23 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

Paragraph 24 of the fixed-page document, rasterised by pdftoppm and cached per page and per zoom.

A Second Section

So that the outline has more than one entry.
